

Sunnies & Shades

Sunglasses can be Sunnies or Shades, but plants almost always have a preference. Proper plant placement will ensure a healthy and long-lived garden. Don't stress; let us help you! Select a few plants of similar color palettes but different bloom periods to ensure an attractive garden appearance each season. Please visit our website and use the Plant Picker for additional plant selections.

Sun Loving

- | | | |
|---------------------|---------------------|--------------------|
| <i>Achillea</i> | <i>Geranium</i> | <i>Perovskia</i> |
| <i>Agastache</i> | <i>Helianthemum</i> | <i>Phlox</i> |
| <i>Artemesia</i> | <i>Hemerocallis</i> | <i>Rudbeckia</i> |
