

Eastern U.S. Natives (cultivars included)

Natives are a great way to conserve water, protect soils, and reduce fertilizer and pesticide usage. They also provide natural habitats for wildlife and are less likely to become invasive. Select a few plants of similar color palettes but different bloom periods to ensure an attractive garden appearance each season.

- Amsonia 'Blue Ice'
- Amsonia hubrichtii
- Amsonia 'Storm Cloud'
- Aquilegia 'Corbett'
- Aquilegia 'Little Lanterns'
- Aquilegia 'Pink Lanterns'
- Aruncus dioicus
- Asarum canadense
- Asclepias incarnata
- Asclepias tuberosa
- Aster 'Purple Dome'
- Aster 'Wood's Light Blue'
- Aster 'Wood's Pink'
- Baptisia australis
- Baptisia Decadence Series
- Baptisia 'Purple Smoke'
- Baptisia 'Solar Flare Prairieblues'
- Baptisia 'Twilite Prairieblues'
- Chelone glabra
- Chelone 'Hot Lips'
- Chelone 'Tiny Tortuga'
- Chrysogonum virginianum
- Coreopsis 'Sunfire'
- Coreopsis verticillata
- Dicentra formosa
- Echinacea (many)
- Eupatorium
- Fern-Christmas
- Fern-Cinnamon
- Fern-Eastern Wood
- Fern-Hay Scented
- Fern-Lady
- Fern-Maidenhair
- Fern-New York
- Fern-Ostrich
- Fern-Royal
- Gaillardia (some)
- Gaura (some)
- Grass-Andropogon
- Grass-Bouteloua 'Blonde Ambition'
- Grass-Carex flaccosperma
- Grass-Carex pennsylvanica
- Grass-Carex stricta
- Grass-Chasmanthium latifolium
- Grass-Deschampsia 'Northern Lights'
- Grass-Juncus 'Big Twister'
- Grass-Juncus effuses
- Grass-Muhlenbergia capillaris
- Grass-Nassella tenuissima
- Grass-Panicum
- Grass-Phalaris
- Grass-Schizachyrium
- Grass-Sporobolus
- Helenium
- Helianthus (most)
- Heliopsis
- Heuchera americana
- Heuchera villosa
- Hibiscus moscheutos
- Iris cristata
- Iris versicolor
- Liatris (most)
- Lobelia cardinalis
- Lobelia siphilitca
- Mertensia
- Monarda (some)
- Oenothera (some)
- Pachysandra procumbens
- Penstemon digitalis
- Phlox divaricate
- Phlox paniculata
- Phlox stolonifera
- Phlox subulate
- Polemonium reptans
- Rudbeckia (most)
- Sisynchrium
- Solidago (most)
- Stokesia laevis
- Stylophorum
- Tiarella
- Tradescantia (some)
- Verbena canadensis
- Vernonia noveboracensis
